The Andis Deshedding Tool conquers hair without damaging skin or topcoats. Used by professionals, stainless-steel teeth help tame mats and remove the excess bulk that distracts from Fluffy & Fido's flawless grooms. The ergonomic, no-slip grip sits comfortably in your hand, whether you're taming Terrier coats or deshedding a cat in the salon. This high-quality Andis tool not only keeps fur fresh, it reduces shedding by up to 90%.
